**Faithful Friends Inc. No Kill Animal
Shelter in Wilmington Needs
Foster Homes for
Kittens and/or Moms with Kittens!**

**Kitten season is upon us and we urgently need
foster homes to save pregnant moms and kittens
for anywhere from 2 to 16 weeks.**

If you can help, e-mail Kathy, Cat Care Manager

You provide a loving home, care and administer medicines if needed. All medical care is paid for by Faithful Friends through our shelter. When kittens and mom are ready for adoption, they will be placed by going to adoption events or an adoption center when space is available.

It's so rewarding to help us save lives!!!!
