

ADOPTION SPONSORSHIP OPPORTUNITIES

Sponsoring a shelter pet helps to cover one month of their care and adoption fee, directly supporting Faithful Friends Animal Society's mission to provide quality care—from comfortable spaces and veterinary services to personalized adoption matchmaking.

PROGRAM DETAILS

- Sponsorship covers the cost of care for a selected shelter pet for 1 month and the pet's adoption fee.
- Promotion of sponsorship will be for 1 month and include promotional benefits, listed below.
- After 1 month, the chosen pet's adoption fee continues to be waived until they are adopted.
- If the selected shelter pet is adopted before the month is over, funds will support the care of other shelter pets still waiting for homes, at the shelter's discretion, and are non-transferable.
- Sponsorship costs include but are not limited to, food, litter, and program supplies, plus adoption fee.
